

University of Life Sciences “King Mihai I” from Timișoara

Organizes, on **05-06 November 2026**, the International Scientific Symposium dedicated to undergraduate students, master's students, doctoral students and young researchers

“Young people and multidisciplinary research in applied life sciences”

The event aims to provide a stimulating framework for presenting research results, interaction, and the exchange of ideas and experiences among participants.

The symposium includes the following sections:

- Trends in european agriculture development (<https://www.rjas.ro/>)
- Horticulture, Landscaping, Forestry and Plant Biotechnology (<https://jhfb.ro/index.php/jhfb>)
- Management of Sustainable Rural Development (<https://lsma.ro>)
- Global Challenges and Solutions for Animal and Public Health in One Health Context (<https://rjvs.ro/>)
- Biotechnology and Animal Science (https://www.spasb.ro/index.php/public_html)
- Food Chemistry, Engineering & Technology (<https://journal-of-agroalimentary.ro/>)

Papers presented at the symposium will be published in journals indexed in international databases.

Full papers (“in extenso”) must be submitted on the website of each section by **23 October 2026**. The maximum number of authors per paper is 5, including no more than 2 coordinating academic staff members.

Fees:

- Undergraduate and master's students: **150 RON**;
- Doctoral students and young researchers (up to 45 years of age): **200 RON**

We look forward to welcoming you!
